

Women in Mining Vic  
(WIMnet Vic)

# 2019 Mentoring Program

For more information and to apply for the program visit:

[ausimm.com/women-in-mining-vic](http://ausimm.com/women-in-mining-vic)

The AusIMM Women in Mining Network Victoria (WIMnet Vic) are pleased to announce the 2019 mentoring program.

The program is designed to support Victorian women and will provide mentees with a low-cost yet semi-structured opportunity to connect with senior members of the industry.

The program will include a mid-year leadership seminar that will provide professional and personal development support.

**Expressions of interest are now sought from both mentees and mentors.**

Proudly supported by

HERBERT SMITH FREEHILLS
